Gambling Commission ~ Operators Licences.

Many of you will already have received a copy of the Gambling Commission's 'Operator Licence' application form. We strongly advise that for the moment racecourse bookmakers delay completion of this form.

The Gambling Commission is to hold a 'workshop' on the 5th February with respect to these forms at which FRB representatives will make representation for simplification of the task.

We will also be preparing a sample return for members which should be available by mid February.

Information regarding fees for the initial registration and annual licence payment can be found on the NJPC web-site.

It should be noted that the annual fee shown on the NJPC web-site is discounted for the first year and for subsequent years it will be higher.

For example, the lower figure category is shown as £150, but will be £200 in subsequent years. Other fees will similarly be increased by one third.
