Pitch Administration Working Group.

The Group had its 5th meeting on 7th June at which the 'new' pitch rules came close to completion. One point that emerged was that it was not necessary to develop rules for ring closures or mergers since the RCA representatives stated that under the legislation these cannot occur before September 2012. What can be said with certainty is that all pitch administration carried out by the NJPC will cease on 31st August 2007.

A further meeting of bookmaker representatives is scheduled for the 14th June when the constitution and budget for 'Newco' will be discussed.
