REMINDER FOR 'ON-COURSE' BOOKMAKERS

GAMBLING COMMISSION REGULATORY RETURNS.

Important Message for all racecourse bookmakers.

The FRB makes an annual donation to the GREaT Foundation (fundraising for Gambling Research, Education and Treatment of problem gambling) on behalf of all racecourse bookmakers.

All racecourse bookmakers, when completing their annual Regulatory Returns to the Gambling Commission, should put "donated on my behalf by the FRB" when answering the relevant question on the form. The Gambling Commission is aware of and approves this arrangement.

Apparently, this has not been happening and the Commission is getting a variety of different responses, many of which are inaccurate.

Your co-operation in using the standard response as shown above would be appreciated.
