**'Dispute Resolution' for 'point to point' – 'trotting' – 'harness racing' etc.**

For those Bookmakers who are members of associations affiliated to the FRB and who take part in 'point to point', 'trotting', 'harness racing', and other meetings of a similar nature, the FRB has agreed with Tattersalls Committee that any 'disputes' can now be referred to that body for arbitration and dispute resolution.

This agreement between the FRB and Tattersalls Committee has been instigated following discussions with the Gambling Commission which had expressed concerns that there was no procedure in place to deal with any situations that may arise at these types of meetings.

Contact can be made with Tattersalls Committee via [info@tattersallscommittee.co.uk](mailto:info@tattersallscommittee.co.uk) or by telephone on 01480 – 499189.
