**FOR THE ATTENTION OF BOOKMAKERS WITH LIST POSITIONS
AT YORKSHIRE RACECOURSES.**

You should shortly be receiving, where appropriate, the Commercial Licences for the Yorkshire Racecourses (excluding Doncaster and York).

Please note that these Licences do not contain any reference to your particular List Position Number.

Instead they refer (on Page 1) to the Bookmaker Number (i.e. what used to be called the 'Designated Number' or 'Optimum Number').

This is by design, as you already know your individual List Position Numbers as per the official Bookmakers' Lists held by AGT, which are recognised by the racecourses.

Please do not ring the AGT Office about this issue as they have no say in the terms of the Licences, but we can confirm that it is NOT a mistake.
