**Racecourse Bookmakers Statutory Annual Returns to the Gambling Commission**  
**and Forms received from the Responsible Gambling Trust (RGT).**

You are reminded that the FRB makes an annual donation to RGT (formerly The GREaT Foundation) on behalf of all racecourse bookmakers.

Therefore, when completing your annual return to the Gambling Commission and any forms received from RGT, when the question arises regarding 'problem gambling charity donations' you just need to say "donated on my behalf by the FRB".

The Gambling Commission and RGT are aware and approve of this of this arrangement.
